## **QUALITY ASSURANCE REQUIREMENTS**

The latest copy of the MSDS, IAW Occupational Health and Safety Association (OSHA) CFR.1910.1200, Hazard Communication Standard, must accompany the material received at Arnold Engineering and Development Center (AEDC). An MSDS must accompany all offers made for any product if other than the item identified. PO awards for an offer of other than the original product identified on the material request must be coordinated with Environmental. Any material received without a MSDS may be rejected and returned at vendor's expense.
